

Who is a Carer?

A carer can be someone who spends a significant proportion of their time or a few hours per week providing unpaid support to a family member, friend or neighbour.

This can be due to mental health or substance misuse problems. Whilst caring is part of life, without the right support, the personal costs of caring can be high.

The number of carers in East Sussex is estimated to be 50,648 (approximately 10% of the population), the majority of whom are in the age range 50-64.

The impact of Caring

Carers are twice as likely to suffer from poor health, compared to people without caring responsibilities, including; suffering from anxiety, depression, loss of confidence and self-esteem.

Providing information and support can combat this, as well as reduce isolation through rebuilding old relationships and forming new ones.

**Do you support someone with mental health needs?
Would it be helpful to meet and talk to others with similar experiences?
This service could be for you**

Personal Development and Support:

- Have a better understanding of mental health and wellbeing.
- Have a better understanding of carer awareness and how to look after yourself.
- Regular support groups: sharing your experiences and being listened to in a supportive environment.

Information and Advice:

- What mental health services are available in your local community.
- What information and support is available for carers in your local area.

Training and Leadership Skills:

- Be part of decision making that affects you or someone you know.
- We will support you to develop the skills and confidence to influence services.
- Receive help and support

Carers Engagement Leads

Nelida Senoran and Alan Wallace have worked as Engagement Leads with Sussex Oakleaf for a number of years; they have experience:

- Facilitating groups creating a supportive environment
- Empowering people to have a say in the services they use
- Delivering training and individual support
- Providing targeted information and advice

For more information on the dates and locations of support groups, or if you would like us visit your organisation, please contact Nelida and Alan.
